

**Biography: Dr. Junkang MA**

**I obtained the PhD degree for mobile communications in University of Edinburgh, UK. From 2006 to 2009, I, in UK, work for Mobile VCE (Virtual Centre of Excellence in Mobile & Personal Communications LTD.) for Personal Ubiquitous Communication Project, during which British Patent and Patent Award are obtained. In 2010, I join in CETCA (CETC Avionics), responsible for International Projects based on Business and Technology, including passengers' mobile communication (Connectivity), IFE and Establishment of Chinese-Foreign Joint Venture.
